TERMS & CONDITIONS

CANCELLATION POLICY

Bookings may be cancelled up to 4 weeks prior to commencement of the course but you will lose the 25% booking deposit. For cancellations received between 14-21 days before commencement of course 60% of full amount will be refunded; for cancellations received 13 - 7 days before commencement of course 30% of full amount will be refunded. No refund for any cancellation less than 7 days before arrival or after the course has commenced. This includes days missed during the course, late arrival or early departure. In some circumstances we may allow you to continue your course at a later date at a discounted cost but this will be at the Director's discretion. Long term students may discuss taking some holiday weeks during their course and only a retainer fee for accommodation will be charged. Their lessons will then recommence on their return with no lesson weeks lost. In all circumstances the small registration/administration fee is not refunded. In the event of a visa being refused, the school fees will be refunded no later than 20 days after we have been informed and proof shown of refusal. A cancellation charge of €150 will apply.

CANCELLATION POLICY (COVID-19)

In the event that a course is cancelled due to the direct cause of Covid-19 illness, government directive (in Ireland or student's own country) Atlantic S.E.A.L will refund the amount paid to date less a 150EUR cancellation fee. If you choose to move or postpone your booking due to Covid-19 there will be no cancellation fee implemented. Any postponements must be given in writing and the new course dates must be within 2 years of the original start date. Atlantic S.E.A.L reserve the right to give alternative dates if the clients chosen dates are not suitable or do not coincide with an ongoing course.

Any Covid-19 cancellations and refund requests must be accompanied by a written statement from a registered medical practitioner or supporting documentation showing a government directive. Any and all other cancellations will be subject to the cancellation policy outlined above.

REFUNDS

I understand that all fees and charges will not be refunded after my course starts. I am aware, however, that Atlantic S.E.A.L will allow me to continue my course at a later date should unavoidable circumstances cause premature departure.

INSURANCE

Insurance is the responsibility of the course participants. Students should arrange medical insurance in their own country before departure. EU students should bring the EHIC card. We strongly recommend to take out medical and cancellation insurance as it also covers public liability in a third party's home.

ARRIVAL & DEPARTURES

Please note that arrival is normally Sunday and departure is Saturday. Extra days may be added on at an additional fee to fit in with flight possibilities. Simply ask us for more information.

Please also note that the airport transfer cost is not for the actual 'car fare' as in order to keep costs down for our clients it is not a taxi but a private vehicle. You are insured as an unpaying passenger. Therefore the cost involved is a per person 'arrangement fee' only. Thus transfers costs cannot be 'shared' as one is not paying for the car, just for the administration time involved in organising this i.e. supplying the driver with full details of your arrival/departure also informing the client etc. If you would prefer us to reserve a commercial taxi please let us know and we will do so. You can thus pay the taxi driver directly.
